

Excursion of RMSA

Tamluk Raj Bari

Well designed and well planned excursion can lead to new learning, Reinforce lessons that has been already taught in the class room and aid greatly in the retention of information. While engaged field excursion, student can developed rich understanding not always available through text best study. The excursion increase student knowledge and understanding of a subject and realism to the topic they have

studied through pages of books.

In order to attain the very goal of excursion district RMSA has allotted Rs. 21 Lakhs (Rupees Twenty one lakh only) to 525 High Schools for the Year 2016-17 to make an arrangement of excursion for 10500 no of students of Class-IX to visit Science Centre , Zoo, Botanical Garden, Museums and other higher education institute like IIT.
