

DEVELOPMENTAL ACTIVITIES

Developmental activities are done mainly through the following schemes-

- 3rd State Finance Commission

The scheme is 100% state sponsored. It is commonly known as “Untied Fund Scheme”. Main objective of scheme is to implement the programmes undertaken by the PRIs and that cannot be funded from any other commonly running schemes. The fund is released to 3 tiers in 2 installments per year on the basis of some indices, viz., literacy rate, population, SC/ST population etc according to the recommendation of the State Finance Commission constituted after every 5 years. The following programmes can be implemented out of this fund-

- **The fund should be utilized basically to create new assets**
- To provide employment opportunity to the poor families, mainly through SHGs
- Universalisation of Elementary Education.
- Prevention of common diseases and promotion of public health with special emphasis on nutritional status improvement of mother and child.
- Improvement of basic amenities to the citizens such as water supply, drainage facilities, drinking water and sanitation facilities in public places, water testing & purification measures, disposal of solid & liquid waste, road connectivity, street lighting, improvement of Hatt/Market,
